Mansions of the Moon for the Green Witch Ann Moura 2010-12-08 Ann Moura, the author of the popular Green Witchcraft series, is back with a new, one-of-a-kind spellbook on lunar magic. This is the only guidebook available that uses Mansions of the Moon correspondences to empower Esbat rituals and spellwork. The moon goes through twenty-eight distinct "mansions," or sections of the sky, as it travels through the twelve signs of the zodiac. Each mansion is appropriate for certain types of magic, as described in ceremonial magic books, such as Agrippa's Three Books of Occult Philosophy or Barrett's The Magus. Now this esoteric information is available to Witches, complete with suggested workings for both the waxing and the waning lunar phase in each mansion. Moura provides the tools, the instruction, and examples of how to utilize the Mansions of the Moon to add depth and potency to your spells and rituals. More than one hundred workings are presented, including candle spells, charm bags, meditations, magical oils, talismans, amulets, incense, teas, and much more.

The Green Witch Arin Murphy-Hiscock 2017-09-19 "For covens who prefer meeting outdoors, perhaps in a garden or a deep forest clearing, The Green Witch is a delightful guide to nature magic. It's filled with practical recipes for herbal blends and potions, the properties of essential oils, and lots of ideas for healing and relaxation." —Bustle Discover the power of natural magic and healing through herbs, flowers, and essential oils in this guide to green witchcraft. At her core, the green witch is a naturalist, an herbalist, a wise woman, and a healer. She embraces the power of nature; she draws energy from the Earth and the Universe; she relies on natural objects like stones and gems to commune with the land she lives off of; she uses plants, flowers, oils, and herbs for healing; she calls on nature for guidance; and she respects every living being no matter how small. In The Green Witch, you will learn the way of the green witch, from how to use herbs, plants, and flowers to make potions and oils for everyday healing as well as how crystals, gems, stones, and even twigs can help you find balance within. You'll discover how to find harmony in Earth's great elements and connect your soul to every living creature. The green witch focuses on harmony, healing, and balance with the Earth, but also with humanity and yourself. This guide also contains easy-to-understand directions for herbal blends and potions, ritual suggestions, recipes for sacred foods, and information on how to listen to and commune with nature. Not only will you attune yourself to nature, but you will also embrace your own power. Learn about the world of the green witch and discover

what the power of nature has in store for you.

Summary of Arin Murphy-Hiscock's *The Green Witch* Everest Media, 2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 A green witch is not defined by where she lives or what she does to bring home a paycheck. She is defined by her relationship to the world around her, by her ethics, and by her affinity with the natural world. #2 Green witchcraft is a nature-based spirituality that focuses on the individual's interaction with his or her natural environment. It acknowledges a god and a goddess, and recognizes that magic is a natural phenomenon. #3 The path of the green witch is an individualized practice, and there is no body of formal knowledge passed on through careful training. Modern eclectic groups may base their regular practice on the ideals of green witchcraft, but it is not the same thing. #4 The green witch believes in healing, harmony, and balance. She understands that the earth and all living things on it are a collective term for both nature and people. She believes that people affect other people with their energy, and she strives to maintain a harmonious energetic environment in which people can feel calm and empowered to improve themselves.

Green Witchcraft Scott Hawthorn 2021-09-18 Do you have the faintest idea of the magical power hidden in your garden or on the shelves of your pantry? In our hyper-technological and hyper-connected age, few initiates still know and know how to use the ancient power of nature. If you want to become one of them, you will find, rediscovered in this guide, the initiatory mysteries of one of the oldest and unknown witchcraft traditions in human history. The green witchcraft tradition is rooted in the ancient folk magic of our ancestors. These ancestors often lived in small, isolated communities, from which they rarely

strayed. Throughout history, geographic factors restricted the flow of information, so these communities developed their unique traditions, rituals, and magical practices. These people--typically women--were known by many names. Some called themselves wise women, others cunning folk, depending on their country, region, and even town of origin. Typically, their calling was to act as healers--for ailments of both the body and the spirit. They would devise cures and preventions using herbs, spells--including invocations, hand gestures, words of power--and poultices. Some witches practiced divination using cards (cartomancy), beans (favomancy), or tea leaves (tasseography). In many cases, these women would not have referred to themselves as witches. The best way to approach Green Witchcraft tradition is to think of it as a revival of the "old religions" that have mostly vanished outside small, rural communities and isolated pockets. As a green witch, your focus should be on finding both joy and magic in simplicity and nature, as well as preserving all of the incredible gifts the earth has to bestow. Within this green guide, you will find instructions for: Start your personal green witchcraft initiation path in the right way Learn the fundamentals of the discipline, the cycles of the seasons and the use of all the main magical elements connected to it How to understand and build your garden, according to the herbs you need for spells What different types of magic lurk behind plants and flowers, and how to handle them to create your own spells How to transmute simple plants from your garden into powerful magical filters, such as balms and oils How to use incense, resins and smudgings to make your magic more effective You will discover the secrets hidden in tea and herbal teas to magnify the healing powers of magic All the power hidden in your garden can be at your fingertips, thanks to this book, which collects the legacy of ancient traditions and makes them available to you.
