A Compassionate Vision for Elementary Social Studies Thomas A. Lucey 2021-12-30 This text offers readers a holistic view of elementary social studies that instills compassion for all classroom voices and for those outside the classroom. This approach provides a social studies perspective that enables readers to articulate, apply, and defend engaging learning experiences that value each student. A revision of the original textbook by John Hoge and contributions by Laura E. Pinto, the work presents a comprehensive view of social studies that encourages reader awareness of and appreciation for their emotional and social identities. By being comfortable with themselves and their biases, readers may better appreciate the different perspectives of social studies content and better facilitating learning experiences that value the voices of all students.

I Have to Dream Festus Shakesword Reclaiming The Dream of Dr. King Jr. Through Lyric Poems of I Have to Dream. Out of Africa comes the king of peace, and his dreams for truth and justice for all people. Out of his father's heritage comes his wisdom and eloquence in speech. Out of his desire for knowledge comes his insight that discerns the true

meaning of existence. From his love for unity and harmony comes the fruit of life and living that develops from social gospel of righteousness to correct social wrongs. Thus the seed for the harvest of civil rights is planted in the green pastures of Atlanta, and the stage is set for the manifestation of his vocation in life. Rambunctious is his instinct from his youth as he lives a restless life of searching for the future in his thirst for knowledge. And bounty is the harvest of the change, which fulfills his goal of making all people's dreams come true.

Martin Scorsese and the American Dream Jim Cullen 2021-06-18 More than perhaps any other major filmmaker, Martin Scorsese has grappled with the idea of the American Dream. His movies are full of working-class strivers hoping for a better life, from the titular waitress and aspiring singer of Alice Doesn't Live Here Anymore to the scrappy Irish immigrants of Gangs of New York. And in films as varied as Casino, The Aviator, and The Wolf of Wall Street, he vividly displays the glamour and power that can come with the fulfillment of that dream, but he also shows how it can turn into a nightmare of violence, corruption, and greed. This book is the first study of Scorsese's profound ambivalence toward the American Dream, the ways it drives some men and women to aspire to greatness, but leaves others seduced and abandoned. Showing that Scorsese understands the American dream in terms of a tension between provincialism and cosmopolitanism, Jim Cullen offers a new lens through which to view such seemingly atypical Scorsese films as The Age of Innocence, Hugo, and Kundun. Fast-paced, instructive, and resonant, Martin Scorsese and the American Dream illuminates an important dimension of our national life and how a great artist has brought it into focus.

Summer Light Luanne Rice 2006-06-27 When it comes to love and family, the things you can't see are what matter most of all. Bestselling novelist Luanne Rice has inspired the devotion of readers everywhere with her "rare combination of realism and romance." (The New York Times Book Review) Now she presents her most magical novel to date, an entrancing story of love at first sight, the true meaning of family, and angels right here on earth. May Taylor works as a wedding planner, passing on the timeless traditions of her grandmother and mother. The Taylor women have always believed in the presence of magic in everyday life--especially the simple magic of true love and family. Yet May's own faith in true love was shattered when she was abandoned by the father of her child. Still, she finds joy in raising her daughter Kylie, a very special five-year-old who sees and hears things that others cannot. . . Martin Cartier is a professional hockey player and sports legend. His father, a champion, taught him to play to win--at all costs. Now Martin's success veils a core of heartache, rage, and isolation. Yet Kylie glimpses the transcendent role Martin will play in May's life and her own--unless his past tears their blossoming love apart. Then only Kylie will see the way home--and only May will be able to lead them there, if she can believe in magic once more.

Language in Writing Instruction María Estela Brisk 2020-09-23 Accessible and engaging, this book offers a comfortable entry point to integrating language instruction in writing units in grades 3–8. A full understanding of language development is necessary for teaching writing in a successful and meaningful way. Applying a Systemic Functional Linguistics (SFL) approach, María Brisk embraces an educator's perspective, breaks down the challenges of teaching language for non-linguists, and demonstrates how teachers can help students express their ideas and create cohesive texts. With a focus on the needs of all students, including bilingual and English language learners, Brisk addresses topics necessary for successful language instruction, and moves beyond vocabulary and grammar to address meaning-making and genre. This book provides a wealth of tools and examples for practice and includes helpful instructional resources that teachers can return to time after time. Moving from theory to practice, this teacher-friendly text is a vital resource for courses in language education programs, in-service teacher-training seminars, and for pre-service and practicing English Language Arts (ELA) teachers who want to expand their teaching abilities and knowledge bases. This book features a sample unit and a reference list of instructional resources.

Dreams and Healing John A. Sanford 1978 A detailed and comprehensive examination of dreams, following the courses of the series of dreams of a young university student and a middle-aged woman. Describes the unfolding of these dreams and relates them to the lives of the two individuals. Presents dreams as a wealth of creative possibilities, locked in the unconscious, on which we can draw by learning to understand and relate them to our lives.

Martin Luther King, Jr., and the Theology of Resistance Rufus Burrow, Jr. 2014-12-31 It has been nearly fifty years since Martin Luther King, Jr., was assassinated at the Lorraine Motel in Memphis, Tennessee. Appraisals of King's contributions began almost immediately and continues to this day. The author explores an astonishing number of King's chief ideas and social-ethical practice: his concept of a moral universe; his doctrine of human dignity; his belief that not all suffering is redemptive; his brand of personalism; his contribution to the development of social ethics; the inclusion of young people in the movement; sexism as a contradiction to his personalism; the problem of black-on-black violence, and others. Burrows' essays reveal both the strengths and the limitations in King's theological socio-ethical project, and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world.

What Is America? Vanester Pugh 2013-05-31 As I was growing up as a child in a remote hamlet in South Georgia in the early 1920s, I was always on the verge of blowing my mind, when I would try to fathom the unfathomable. That is, what I would see from day to day was a stark and ever present reality of a rigid line of demarcation of racism, an impregnable wall of separation between black Americans and white Americans, in a, so-called, land of the free and home of the brave. The country was as dark as a stormy midnight. It was so lightless that black Americans could not behold even a dim glow of freedom, justice and equality. However, white citizens could cross the line of separation at

their pleasure and demean and trample upon the rights of black citizens, without any consideration of punishment. On the other hand, black citizens had been harshly schooled and mandated, over the years, to tolerate racism and its pernicious and uncivilized side effects, in order to survive. Therefore it was almost impossible for black Americans to find any moral or ethical ground to put their weight upon, in a nation that was always teetering on the brink of imminent moral bankruptcy, because of its gross inhumanity to black Americans, bona fide citizens of the United States. And for an eternity of 188 years, the United States, several parcels of disproportional, wayward and incongruous commonwealths, was bare of a moral compass, nil of empathy and compassion, and as inflexible as steel against the civil rights of black Americans. The country was so vile that it became ashamed of its own vileness and tried to hide its foulness behind the fig leaves of lofty and sublime words and phrases such as, One nation under God, indivisible, with liberty and justice for all, and with Gods endowment of Life, Liberty, and the pursuit of Happiness, for all men and women who are created in the image and likeness of God. Two Books in One Poetry Curtis Greasley 2016-07-23 My poetry book is comprised of spiritual and nonspiritual poems. I consider it to be two books in one. I do believe that there is something in my book for everyone. The spiritual poems can be used to praise the Lord and develop ones trust in the Lord, and its about praising and giving thanks to the Lord. Its spiritually uplifting. I strongly believe I have been called by God to do his work and that it may be through poetry. The nonspiritual poems consist mostly of free-style poetry, and one can read and feel the passion in them. I welcome everyone to read my book of poetry.

Count Arensberg, Or, The Days of Martin Luther Joseph Sortain 1853

Martin's Dream Clayborne Carson 2013-01-08 On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure how he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University-- to edit the papers of her late husband. In this candid and engrossing memoir, he traces his evolution from political activist to activist scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy
