Practical SharePoint 2010 Branding and Customization Erik Swenson 2012-01-31 With Practical SharePoint 2010 Branding and Customization, SharePoint branding expert Erik Swenson cuts through the fluff and discusses accessible, easy-to-understand consulting and processes to create aesthetically

pleasing, highly usable branded and customized SharePoint websites, both internally and externally. Designed to be a quick reference, how-to guide that lets you dive straight into the task at hand, you'll find this book's attention to detail and pragmatism make it an attractive companion during your branding experience. SharePoint 2010 deployments are more common than ever, as is the desire to make the environment branded and attractive to both internal and external clients. However, since SharePoint is more than just a collection of web pages, customizing the look and feel and completing the process of branding the platform itself is complex and requires a knowledge of web development, web design techniques, and a familiarity with SharePoint administration—a curious niche, to be sure. And sometimes, you just need to make quick fixes, while at other times, building an entirely customized and branded environment is a multi-step process with lots of stakeholder buy-in and development time required. Whether you're interested in applying just a touch of style to a team site, or you're branding a public-facing Fortune 500 website based on SharePoint, *Practical SharePoint 2010 Branding and Customization* is the only book you'll need to quickly, easily, and efficiently brand and customize your environment. Bonus: Includes the SharePoint 2010 Branding Starter Kit! This kit has everything you need to jumpstart successful and compelling designs. The kit includes a

layered Adobe Photoshop file of a SharePoint 2010 site, two pre-built visual design examples, and a Visual Studio solution you can use to deploy either of the designs included. This starter kit is specifically prepared to save you substantial time kicking off your SharePoint branding project and to minimize potential roadblocks. These branding tools would cost you as much as \$500 if purchased separately, but they're included with the purchase of this book at no additional charge! Get started today.

Lessen voor levenden Elisabeth Kubler-Ross 2012-06-06 Jarenlang zorgde Elisabeth Kübler-Ross voor ongeneeslijk zieken. Samen met haar medewerkers voerde zij vele gesprekken met deze patiënten.

Microsoft SharePoint 2010 Administrator's Companion Bill English 2010-09-03 Get the critical, in-depth information you need to administer SharePoint 2010.

Led by SharePoint MVPs and featuring insights from the SharePoint community and members of the SharePoint Team at Microsoft, you'll discover how to plan, design, deploy, and manage strategic solutions using SharePoint 2010, Microsoft SQL Server, Windows PowerShell, and other key technologies.

11th International Conference on Cyber Warfare and Security Dr Tanya Zlateva and Professor Virginia

Greiman 2016 The 11th International Conference on Cyber Warfare and Security (ICCWS 2016) is being held at Boston University, Boston, USA on the 17-18th March 2016. The Conference Chair is Dr Tanya Zlateva and the Programme Chair is Professor Virginia Greiman, both from Boston University. ICCWS is a recognised Cyber Security event on the International research conferences calendar and provides a valuable platform for individuals to present their research findings, display their work in progress and discuss conceptual and empirical advances in the area of Cyber Warfare and Cyber Security. It provides an important opportunity for researchers and managers to come together with peers to share their experiences of using the varied and expanding range of Cyberwar and Cyber Security research available to them. The keynote speakers for the conference are Daryl Haegley from the Department of Defense (DoD), who will address the topic Control Systems Networks...What's in Your Building? and Neal Ziring from the National Security Agency who will be providing some insight to the issue of Is Security Achievable? A Practical Perspective. ICCWS received 125 abstract submissions this year. After the double

blind, peer review process there are 43 Academic Research Papers 8 PhD papers Research papers, 7 Masters and 1 work-in-progress papers published in these Conference Proceedings. These papers represent work from around the world, including: Australia, Canada, China, Czech Republic, District of Columbia, Finland, France, Israel, Japan, Lebanon, Netherlands, Pakistan, Russian Federation, Saudi Arabia, South Africa, Turkey, United Arab Emirates, UK, USA.

Het innovatiedilemma Clayton M. Christensen 2015-03-27 Geroemd door iedereen van Steve Jobs en Jeff Bezos tot Malcolm Gladwell, is dit boek een bijbel voor iedereen die begrijpt dat je ontwrichtende veranderingen een stap voor moet zijn. Deze bestseller presenteerde als eerste de baanbrekende gedachte dat fantastische bedrijven ten onder kunnen gaan, juist omdat ze alles goed doen – voor hun bestaande klanten. Ze worden links en rechts ingehaald door nieuwkomers die, met aanpassingen aan de technologie of dienst, nieuwe klanten weten te vinden. Denk aan Apple en Tesla, die respectievelijk de telefoon- en auto-industrie op hun kop zetten. Bedenker Clayton Christensen legt uit hoe dit kan gebeuren, en wat een bedrijf kan doen om hetzelfde lot te ontlopen. Het innovatiedilemma is ‘een waarschuwing voor ondernemers die zich onverslaanbaar achten – en een bron van inspiratie

voor hen die klaarstaan om ze te verslaan’.
