constipated, thirsty or hungry. I like to relax by: Things which may help if I become unhappy or distressed. What usually reassures me, eg comforting words, music or TV? Do I like company and someone sitting and talking with me or prefer quiet time alone? Who could be contacted to help and if so when? My hearing and eyesight: Can I hear well or ...

Constipation - Royal Children's Hospital

If your toilet-trained child is constipated, it is important for them to develop the habit of sitting on the toilet regularly. • Your child should sit on the toilet after breakfast, lunch and dinner – even if they do not feel the urge to go. They should stay for three to five minutes, even if they have done some poo before then.
