Sure, Will has always known Taylor had a wild past, but he was kind of hoping he'd never have to sit down and have a beer with it. But golden boy Ashe Dekker believes someone is trying to kill him, and Taylor is determined to help, no matter what the cost. It's a little bit of a jolt to have Taylor for once totally disregard his feelings, but Will is equally determined that "the cost" won't be their relationship--or Taylor's life.
