

The Snowden Files The Inside Story Of The Worlds Most Wanted Man

If you ally obsession such a referred The Snowden Files The Inside Story Of The Worlds Most Wanted Man book that will meet the expense of you worth, get the totally best seller from us currently from several preferred authors. If you want to droll books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections The Snowden Files The Inside Story Of The Worlds Most Wanted Man that we will completely offer. It is not all but the costs. Its more or less what you infatuation currently. This The Snowden Files The Inside Story Of The Worlds Most Wanted Man, as one of the most operating sellers here will extremely be in the course of the best options to review.

James Watson 2015-10-22 The Dictionary of Media and Communication Studies has provided students and the general public alike with a gateway into the study of intercultural communication, public relations and marketing communications since 1984. In this 9th edition, James Watson and Anne Hill provide a detailed compendium of the different facets of personal, group, mass-media and internet communication that continues to be a vital source of information for all those interested in how communication affects our lives. They cover new applications and developments, such as the incorporation of Neuroscience techniques in advertising and marketing. Other updates include Cyber-bullying, Twitter scandals, conduct in media organizations, on-line lobbying, global protesting/petitioning, and gender issues relating to social media in general. While new entries explore the profound shifts that have taken place in the world of communication in recent years, the purpose of this new edition is not necessarily to keep abreast of every new media event but to reflect the trends that influence and prompt such events, such as the Leveson Inquiry and Report and phone hacking via mobile phones. Politics seems to be playing out more on Twitter than in The Times. This volume seeks to make its twenty-first century readers more media literate, as well as more critical consumers of modern news.

WW II Photo Book : Century of Unforgettable War

VOL. 8

Luke Harding 2017-06-21 This Photo Book Show Dramatic Tapestry Of The Wartime. Hundreds of images capture fateful moments of triumph and defeat that defined the era, including rare photographs and artifacts, many never-before-seen from private collections that are placed in context with more famous photographs from the period. Extreem eigenaarschap Jocko Willink 2020-09-18 In 'Extreem eigenaarschap' vertalen Jocko Willink en Leif

Babin de krachtige leiderschapslessen van het slagveld naar heldere principes die toegepast kunnen worden in ieder team en elke organisatie. Toen de Navy SEAL-taskforce van Willink en Leif in 2006 in Irak voor een mission impossible stond: Ramadi veiligstellen, een stad die al min of meer als verloren wordt beschouwd, wisten Willink en Babin onder extreme druk hun team naar de overwinning te leiden. De overwinning is grotendeels te danken aan een teamcultuur van eigenaarschap en discipline. Leiderschap, op ieder niveau, blijkt de doorslaggevende factor voor het succes van het team. In 'Extreem eigenaarschap' delen ze niet alleen hun eigen oorlogservaringen, maar ook praktijkverhalen van de bedrijven die ze na hun militaire loopbaan zijn gaan coachen. Met dit meeslepende boek, waarvan wereldwijd al bijna twee miljoen exemplaren verkocht werden, kun je direct aan de slag met de principes van extreem eigenaarschap.

Mafia State Luke Harding 2021-07-01 Award-winning journalist and bestselling author Luke Harding's haunting, brilliant account of the insidious methods used against him by a resurgent Kremlin which led to him becoming the first western reporter to be deported from Russia since the days of the Cold War.

FEATURING A NEW FOREWORD FROM THE AUTHOR 'A courageous and explosive exposé.'

ORLANDO FIGES 'Luke Harding is one of the best reporters in the world.'

ROBERT SAVIANO 'An essential read.'

NEW STATESMAN In 2007, Luke Harding arrived in Moscow to take up a new job as a correspondent for the British newspaper the Guardian.

Within months, mysterious agents from Russia's Federal Security Service - the successor to the KGB - had broken into his flat. He found himself tailed by men in cheap leather jackets, bugged, and even summoned to Lefortovo, the KGB's notorious prison. The break-in was the beginning of an extraordinary psychological war against the journalist and his family. Vladimir Putin's spies used tactics developed by the KGB and perfected in the 1970s by the Stasi, East Germany's sinister secret police. This clandestine campaign burst into the open in 2011 when the Kremlin expelled Harding from Moscow. Luke Harding's Mafia State

gives a unique, personal and compelling portrait of today's Russia, two decades after the end of communism, that reads like a spy thriller.

Mijn leven undercover Amaryllis Fox 2019-11-07 Mijn leven undercover vertelt het waargebeurde verhaal van Amaryllis Fox – een jonge vrouw met de gevaarlijkste baan binnen de CIA – en biedt een inkijk in een wereld die we slechts kennen van tv-series. Voor de fans van series als Homeland. Amaryllis Fox zat in haar laatste jaar internationaal recht aan de universiteit van Oxford toen haar mentor Daniel Pearl gevangen werd genomen en werd onthoofd. Voor haar was dit de aanleiding om zich te specialiseren in terrorismebestrijding. Ze ontwikkelde een algoritme dat terroristische aanslagen met grote precisie zou kunnen

voorspellen. Een jaar later klopte de CIA bij haar aan. Haar ster rees snel en op haar tweeëntwintigste werd Amaryllis gerekruteerd voor het elitekorps. Ze werd klaargestoomd op 'The Farm', waar ze onder andere getraind werd in het ondergaan van martelingen, vuurwapengebruik en de beste manieren om zelfmoord te plegen in gevangenschap. Daarna werd ze uitgezonden als spion 'under non-official cover' – de gewildste maar ook gevaarlijkste baan binnen de CIA. Als kunsthandelaar infiltreerde Amaryllis Fox in terroristische netwerken in het Midden-Oosten en Azië, tot die ene ontmoeting, die alles veranderde.

Invasion Luke Harding 2022-11-29 New York Times bestselling author of Collusion and The Snowden Files Luke Harding's personal, frontline reporting on Russia's harrowing invasion of Ukraine, the biggest news event of 2022 and an inflection point in international politics In a damning, inspiring, and breathtaking narrative of what is likely to be a turning point for Europe--and the world--Guardian correspondent and New York Times bestselling author Luke Harding reports firsthand on the first year of the Russian invasion of Ukraine. When, just before dawn on February 24, 2022, Vladimir Putin declared war on its neighbor, Harding was there, on the ground in Kyiv. The destruction brought by Russia was harrowing. Refugees sheltered in metro stations or fled to other parts of Europe. Among the unarmed Ukrainians who remained, some were summarily shot for the simple crime of carrying a cellphone. But this senseless

violence was met with astounding resilience--from, among others, the country's embattled leader Volodymyr Zelenskyy--and the courage of a people prepared to risk everything to preserve their nation's freedom. Here are piercing portraits of the leaders on both sides of this monumental struggle, a fascinating look into the war's possible future, a haunting depiction of the atrocities in Bucha and elsewhere, and an intimate glimpse into the ordinary lives being impacted by the biggest conflict in Europe since the Second World War. Harding captures this crucial moment in history with candor, insight, and an unwavering focus on the human stories that lie at its heart.

The Paradox of Citizenship in American Politics
Mehnaaz Momen 2017-08-28 “This remarkable book does the unusual: it embeds its focus in a larger complex operational space. The migrant, the refugee, the citizen, all emerge from that larger context. The focus is not the usual detailed examination of the subject herself, but that larger world of wars, grabs, contestations, and, importantly, the claimers and resisters.”— Saskia Sassen, Professor of Sociology, Columbia University, USA This thought-provoking book begins by looking at the incredible complexities of “American identity” and ends with the threats to civil liberties with the vast expansion of state power through technology. A must-read for anyone interested in the future of the promise and realities of citizenship in the modern global landscape.— Kevin R. Johnson, Dean,

UC Davis School of Law, USA Momen focuses on the basic paradox that has long marked national identity: the divide between liberal egalitarian self-conception and persistent practices of exclusion and subordination. The result is a thought-provoking text that is sure to be of interest to scholars and students of the American experience. — Aziz Rana, Professor of Law, Cornell Law School, USA This book is an exploration of American citizenship, emphasizing the paradoxes that are contained, normalized, and strengthened by the gaps existing between proposed policies and real-life practices in multiple arenas of a citizen's life. The book considers the evolution of citizenship through the journey of the American nation and its identity, its complexities of racial exclusion, its transformations in response to domestic demands and geopolitical challenges, its changing values captured in immigration policies and practices, and finally its dynamics in terms of the shift in state power vis-à-vis citizens. While it aspires to analyze the meaning of citizenship in America from the multiple perspectives of history, politics, and policy, it pays special attention to the critical junctures where rhetoric and reality clash, allowing for the production of certain paradoxes that define citizenship rights and shape political discourse.

Onuitwisbaar Edward Snowden 2019-09-16 In 2013 schokte de 29-jarige Edward Snowden de wereld toen hij brak met de Amerikaanse geheime diensten en onthulde dat ze in het allergrootste geheim bezig waren al ons digitale verkeer - elk telefoontje, elk bericht, elke e-mail - te verzamelen en vast te leggen. Van iedereen die zich online begeeft, wordt zo een permanent en onuitwisbaar dossier bijgehouden. Edward Snowden vertelt in dit uiterst meeslepende boek voor het eerst zijn volledige verhaal. Hij laat zien hoe een intelligente jongen uit een idyllische buitenwijk, die opgroeide aan het begin van het internettijdperk en daar al snel de opwindende vrijheid van ontdekte, later een digitale spion werd die mee zou bouwen aan het grootste surveillance-netwerk ooit. Snowden vertelt indringend hoe hij in gewetensnood kwam en uiteindelijk alles op het spel

zette om dit systeem aan de kaak te stellen. In ballingschap groeide hij uit tot het geweten van ons online bestaan. Onuitwisbaar is even scherpzinnig en elegant als overtuigend, even indrukwekkend als ontluisterend. Edward Snowden werd geboren in Elizabeth City, North Carolina, en groeide op in de buurt van de militaire basis Fort Meade in Maryland. Na zijn opleiding als systeemengineer kreeg hij een hoge functie binnen de CIA en werkte hij wereldwijd aan diverse projecten voor de NSA. Tegenwoordig is Snowden voorzitter van de raad van bestuur van de Freedom of the Press Foundation. Hij ontving verschillende prijzen voor zijn verdiensten, waaronder de Right Livelihood Award, de Duitse Whistleblower Prize, de Ridenhour Truth-Telling Prize en de Carl von Ossietzky-medaille van de International League of Human Rights.

They Know Everything About You Robert Scheer 2015-02-24 They Know Everything About You is a groundbreaking expos' of how government agencies and tech corporations monitor virtually every aspect of our lives, and a fierce defense of privacy and democracy. The revelation that the government has access to a vast trove of personal online data demonstrates that we already live in a surveillance society. But the erosion of privacy rights extends far beyond big government. Intelligence agencies such as the NSA and CIA are using Silicon Valley corporate partners as their data spies. Seemingly progressive

tech companies are joining forces with snooping government agencies to create a brave new world of wired tyranny. Life in the digital age poses an unprecedented challenge to our constitutional liberties, which guarantee a wall of privacy between the individual and the government. The basic assumption of democracy requires the ability of the individual to experiment with ideas and associations within a protected zone, as secured by the Constitution. The unobserved moment embodies the most basic of human rights, yet it is being squandered in the name of national security and consumer convenience. Robert Scheer argues that the information revolution, while a source of public enlightenment, contains the seeds of freedom's destruction in the form of a surveillance state that exceeds the wildest dream of the most ingenious dictator. The technology of surveillance, unless vigorously resisted, represents an existential threat to the liberation of the human spirit.

Studies in Intelligence 2013

Collusion Luke Harding 2017-11-16 MOSCOW, July 1987. Real-estate tycoon Donald Trump visits Soviet Russia for the first time at the invitation of the government. LONDON, December 2016. Luke Harding meets former MI6 officer Christopher Steele to discuss the president-elect's connections with Russia. Harding follows two leads; money and sex. WASHINGTON, January 2017. Steele's explosive dossier alleges that the Kremlin has been 'cultivating, supporting, and

assisting' Trump for years and that they have compromising information about him. Trump responds on twitter, 'FAKE NEWS.' In Collusion, award-winning journalist Luke Harding reveals the true nature of Trump's decades-long relationship with Russia and presents the gripping inside story of the dossier. It features exclusive new material and draws on sources from the intelligence community. Harding tells an astonishing story of offshore money, sketchy real-estate deals, a Miss Universe Pageant, mobsters, money laundering, hacking and Kremlin espionage. He shines a light on powerful Russian players like Aras Agalarov, Natalia Veselnitskaya and Sergey Kislyak, whose motivations and instructions may have come from Vladimir Putin himself. The special prosecutor, Robert Mueller, has already indicted several of the American protagonists, including Trump's campaign manager, Paul Manafort. More charges are likely as the crisis engulfs Trump's administration. This book gets to the heart of the biggest political scandal of the modern era. Russia is reshaping the world order to its advantage; this is something that should trouble us all.

Panama Papers Bastian Obermayer 2016-05-21 (john doe): Hallo. Hier John Doe. Geïnteresseerd in data? Ik deel ze graag. [obermayer]: Hallo daar. Ik ben erg geïnteresseerd, natuurlijk. Het is het allergrootste datalek aller tijden, meer dan 1000 keer zo groot als WikiLeaks: de administratie van het Panamese bedrijf Mossack Fonseca, beter bekend als de Panama

Papers. In die berg informatie gaat schokkende informatie schuil over hoe rijken en welgestelden belasting weten te ontduiken en ontwijken, maar ook over geld dat is verdiend met drugs, wapens en bloeddiamanten, over geheime offshore bedrijven waarmee staatshoofden en dictators hun geld veilig meenden te stellen. Dit boek is het verhaal van twee jonge journalisten die al die informatie als een stel padvinders te lijf gaan – tot ze merken dat het hun volkomen boven het hoofd groeit. Ze roepen hulp in en het onderzoek wordt een internationaal project: 400 journalisten in 80 landen ontrafelen de geheimen van de machtigen der aarde. Het verhaal van hun onderzoek is minstens zo bloedstollend en fascinerend als de onthullingen.

This book spreads feature collections of uniforms, weapons, and other equipment. Maps, timelines, and side panels offer an inviting variety of entry point to the

huge wealth of information.

Edward Snowden Adam Furgang 2018-07-15 In June 2013, the news organization The Guardian first published articles revealing the shocking revelations that the National Security Agency (NSA) was conducting mass surveillance on all American citizens in secretive bulk-data collection programs. Hundreds of thousands of top-secret documents were leaked from the NSA by a computer programmer named Edward Snowden. This enlightening biography examines the life of Edward Snowden, his reasons for leaking classified documents, his ongoing controversy as a whistleblower, and the revelations and changes in data collection laws that resulted from the massive disclosure.

The End of History Not Luke Harding 2018-10-02 In December 2016, the Guardian reporter and former Moscow bureau chief Luke Harding, quietly met Christopher Steele, who's infamous dossier sparked one of the most sensational scandals to rock modern political and the biggest threats to the Trump campaign and presidency. In the explosive first pages of the #1 New York Times bestseller Collusion, Harding chronicles Steele's incredible background as an MI6 officer on the Moscow desk and the secret sources behind one the most incendiary and devastating reports in American and Russian political history. A Vintage Shorts Selection. An ebook short.

WikiLeaks David Leigh 2013-10-01 Published to coincide with the forthcoming film, *The Fifth Estate*, starring Benedict Cumberbatch, this tie-in edition contains two new chapters on Julian Assange and Bradley Manning, and a foreword by Alan Rusbridger. It was the biggest leak in history. WikiLeaks infuriated the world's greatest superpower, embarrassed the British royal family and helped cause a revolution in Africa. The man behind it was Julian Assange, one of the strangest figures ever to become a worldwide celebrity. Was he an internet messiah or a cyber-terrorist? Information freedom fighter or sex criminal? The debate echoed around the globe as US politicians called for his assassination. And Assange's actions continue to be felt, in the trial of Bradley Manning and the flight of Edward Snowden, the NSA whistleblower.

Award-winning Guardian journalists David Leigh and Luke Harding were at the centre of a unique publishing drama that involved the release of some 250,000 secret diplomatic cables and classified files from the Afghan and Iraq wars. (At one point the platinum-haired hacker was hiding from the CIA in David Leigh's London house.) Now, together with the paper's investigative reporting team, Leigh and Harding reveal the startling inside story of the man and the leak, and bring the story dramatically up to date.

The Snowden Reader David P. Fidler 2015-04-24

When Edward Snowden began leaking NSA documents in June 2013, his actions sparked impassioned debates about electronic surveillance, national security, and privacy in the digital age. The Snowden Reader looks at Snowden's disclosures and their aftermath. Critical analyses by experts discuss the historical, political, legal, and ethical issues raised by the disclosures. Over forty key documents related to the case are included, with introductory notes explaining their significance: documents leaked by Snowden; responses from the NSA, the Obama administration, and Congress; statements by foreign leaders, their governments, and international organizations; judicial rulings; findings of review committees; and Snowden's own statements. This book provides a valuable introduction and overview for anyone who wants to go beyond the headlines to

understand this historic episode.

The Snowden Files Luke Harding 2014-02-03 It began with an unsigned email: "I am a senior member of the intelligence community". What followed was the most spectacular intelligence breach ever, brought about by one extraordinary man, Edward Snowden. The consequences have shaken the leaders of nations worldwide, from Obama to Cameron, to the presidents of Brazil, France, and Indonesia, and the chancellor of Germany. Edward Snowden, a young computer genius working for America's National Security Agency, blew the whistle on the way this frighteningly powerful organisation uses new technology to spy on the entire planet. The spies call it "mastering the internet". Others call it the death of individual privacy. This is the inside story of Snowden's deeds and the journalists who faced down pressure from the US and UK governments to break a remarkable scoop. Snowden's story reads like a globe-trotting thriller, from the day he left his glamorous girlfriend in Hawaii, carrying a hard drive full of secrets, to the weeks of secret-spilling in Hong Kong and his battle for asylum. Now stuck in Moscow, a uniquely hunted man, he faces US espionage charges and an uncertain future in exile. What drove Snowden to sacrifice himself? Award-winning Guardian journalist Luke Harding asks the question which should trouble every citizen of the internet age. Luke Harding's other books include Wikileaks: Inside Julian Assange's War on Secrecy

and Mafia State: How One Reporter Became an Enemy of the Brutal New Russia.

Cultural Conflict in Hong Kong Jason S. Polley 2018-

03-28 This book examines how in navigating Hong

Kong's colonial history alongside its ever-present

Chinese identity, the city has come to manifest a

conflicting socio-cultural plurality. Drawing together

scholars, critics, commentators, and creators on the

vanguard of the emerging field of Hong Kong Studies,

the essay volume presents a gyroscopic perspective

that discerns what is made in from what is made into

Hong Kong while weaving a patchwork of the territory's

contested local imaginary. This collection celebrates

as it critiques the current state of Hong Kong society

on the 20th anniversary of its handover to China. The

gyroscopic outlook of the volume makes it a true area studies book-length treatment of Hong Kong, and a key and interdisciplinary read for students and scholars wishing to explore the territory's complexities.

50 Things We All Take Too Seriously Luke Harding
2018-05-31 Do you find yourself stressing out each and every day? Does it seem like it's one thing after another? Do you wish things could seem a bit easier and lighter? Well, look no further! 50 things We All Take Too Seriously will take you on a journey of relief. As you read, you will begin to realise how we make things seem a lot more stressful than they actually are. To put it bluntly, we are all guilty of TAKING THINGS TOO SERIOUSLY! This book will allow you to change the way you perceive stressful situations to make them 'not so stressful' after all. If you are looking for a fun, light-hearted, yet thought-provoking read, then this is the book for you.

The snowden files Luke Harding 2014-02-12 Niet alleen de e-mails, WhatsAppjes en telefoongesprekken van potentiële vijanden van Amerika zijn bekeken en afgeluisterd, maar ook die van miljoenen gewone burgers en regeringsleiders als Angela Merkel en François Hollande. De NSA heeft daarbij samengewerkt met de Britse inlichtingendienst GCHQ en internetbedrijven als Google en Facebook gehackt. Wat nu naar buiten is gekomen, is waarschijnlijk nog maar het topje van de ijsberg. De Snowden Files is het spannende verhaal van de

opmerkelijkste klokkenluider aller tijden. Minutieus laat auteur Luke Harding de stappen zien die Edward Snowden zette om de informatie die hij heeft verzameld met de wereld te delen vermoedelijk gaf hij 50.000 tot 200.000 documenten aan journalisten door. Dit sensationele boek is het meest complete verhaal over Edward Snowden: zijn werkwijze, zijn vlucht om uit handen van Amerika te blijven en zijn intentie om de wereld te laten zien dat deze af luisterpraktijken volledig uit de hand zijn gelopen en zich onttrekken aan elke vorm van democratische controle.

Invasion Luke Harding 2022-11-17 The first account of the Ukraine war, from the award-winning journalist and #1 New York Times selling author of Collusion and Shadow State who forecasted Putin's dark adventurist ambitions.

A Very Expensive Poison Luke Harding 2016-02-11 1 November 2006. Alexander Litvinenko is brazenly poisoned in central London. Twenty two days later he dies, killed from the inside. The poison? Polonium; a rare, lethal and highly radioactive substance. His crime? He had made some powerful enemies in Russia. Based on the best part of a decade's reporting, as well as extensive interviews with those closest to the events (including the murder suspects), and access to trial evidence, Luke Harding's A Very Expensive Poison is the definitive inside story of the life and death of Alexander Litvinenko. Harding traces the journey of the nuclear poison across London, from

hotel room to nightclub, assassin to victim; it is a deadly trail that seemingly leads back to the Russian state itself. This is a shocking real-life revenge tragedy with corruption and subterfuge at every turn, and walk-on parts from Russian mafia, the KGB, MI6 agents, dedicated British coppers, Russian dissidents. At the heart of this all is an individual and his family torn apart by a ruthless crime.

Mafia State * Reissue * HARDING L 2021-07

The Routledge Handbook of Language Testing Taylor & Francis Group 2021-11-16 This second edition of The Routledge Handbook of Language Testing provides an updated and comprehensive account of the area of language testing and assessment. The volume brings together 35 authoritative articles, divided into ten sections, written by 51 leading specialists from around the world. There are five entirely new chapters covering the four skills: reading, writing, listening and speaking as well as a new entry on corpus linguistics and language testing. The remaining 30 chapters have been revised, often extensively, or entirely re-written with new authorship teams at the helm reflecting new generations of expertise in the field. With a dedicated section on technology in language testing, reflecting current trends in the field, the handbook also includes an extended epilogue written by Harding and Fulcher, reflecting on what has changed between the first and second edition, and charting a trajectory for the field of

language testing and assessment. Providing a basis for discussion, project work, and the design of both language tests themselves and related validation research, this handbook represents an invaluable resource for students, researchers and practitioners working in the field of language testing and assessment.

Shadow State Luke Harding 2020-06-30 FROM THE AWARD-WINNING JOURNALIST and #1 NEW YORK TIMES BESTSELLING AUTHOR OF COLLUSION A gripping investigative account of how Russia's spies helped elect Donald Trump, backed Brexit, murdered enemies and threatened the very basis of western democracy. NEW AND UPDATED EDITION 'Luke Harding is one of the best reporters in the world . . . [they are] an outstanding writer, stuck in the beating

heart of political and criminal power, sinking their teeth in and never letting go.' ROBERT SAVIANO 'Shadow State raises fresh questions about the way the UK government has handled claims of Kremlin interference in Britain's democratic processes.' FINANCIAL TIMES 'If you doubt that hostile foreign powers were happy to assist Britain into decline, I recommend Shadow State . . . dazzling and meticulous.' OBSERVER 'Excellent.' THE SCOTSMAN 'Reads like a thriller.' IRISH TIMES 'Detailed and compelling.' GUARDIAN *** No terrorist group has deployed a nerve agent in a civilian area or used a radioactive mini-bomb in London. The Kremlin has done both. Shadow State is a riveting and alarming investigation into the methods Russia has used to wage an increasingly bold war in the UK and beyond. In this updated edition, featuring a new afterword, award-winning journalist and bestselling author Luke Harding uncovers fake news, cyber intrusions, dirty money and ruthless spies in disguise, showing how Vladimir Putin helped elect Donald Trump, backed Brexit, and now threatens the very basis of Western democracy itself. 'A superb piece of work . . . essential reading for anyone who cares for his country.' JOHN LE CARRÉ, on Collusion

The Liar Luke Harding 1997 When the Guardian first published details of Jonathan Aitken's abuse of power, he resigned from the Cabinet and vowed to fight for his name. In this book, three of the journalists who worked

on the original story reveal the details of what unfolded. Collusion Luke Harding 2017 "December 2016. Luke Harding, the Guardian reporter and former Moscow bureau chief, quietly meets former MI6 officer Christopher Steele in a London pub to discuss President-elect Donald Trump's Russia connections. A month later, Steele's now-famous dossier sparks what may be the biggest scandal of the modern era. The names of the Americans involved are well-known, but here Harding also shines a light on powerful Russian figures whose motivations and instructions may have been coming from the highest echelons of the Kremlin. Harding takes the reader through every bizarre and disquieting detail of the Trump-Russia story, an event so huge it involves international espionage, off-shore banks, sketchy real estate deals, the Miss Universe pageant, mobsters, money laundering, poisoned dissidents, computer hacking, and the most shocking election in American history." -- Provided by publisher.
